### Harvest Festival of Faith – October 2013

We looked at October as a month for harvesting faith in different ways. Apart from the homilies and intercessions that will draw on faith themes in the scripture of the day we suggested homework each Sunday that involves some activity that engages with the earth whether in the garden or in a window box.

Homilies	
6 October	Day for Life Growing Faith
	Lord, "Increase our faith" (Luke 17:5)
13 October	Renewing Faith
	Your faith has saved you (Luke 17:19)
20 October	Mission Day Spreading Faith
	Will he find any faith on earth? (Luke 18:8)
27 October	Keeping Faith
	I have kept the faith (2 Timothy 4:7)
Homework	
8 October	A time for planting bulbs (hyacinths) that will blossom before Christmas
15 October	A time for renewal by transplanting and refreshing the garden
22 October	A time for sharing by dividing up plants and offering slips to neighbours
29 October	A time for protecting plants by watering and nourishing them

## October Harvesting Top 10 things to do this month

### 1. Clear up fallen autumn leaves regularly

Be mindful of those who have stopped participating in parish life or who have fallen by the wayside. Consider what might bring them together or how to make contact with them.

### 2. Cut back perennials that have died down

Look at events and programmes that happen every year but which have lost their life and vitality. Don't be afraid to let them go if they have served their purpose.

### 3. Divide herbaceous perennials and rhubarb crowns

Share resources with other parishes and learn from what works for them.

### 4. Move tender plants, including aquatic ones, into the greenhouse

Look after those whose faith is vulnerable and ensured that they are cared for and their spiritual needs met.

### 5. Plant out spring cabbages

Make plans for the new season for the established programmes of faith.

### 6. Harvest apples, pears, grapes and nuts

Gather together those involved in parish faith development such as Do This In Memory Team, Baptism Team, RCIA Group etc. and celebrate their experiences.

### 7. Prune climbing roses

*Review blossoming projects and cut back where necessary to ensure continued success* 

### 8. Order seeds for next year

Book resource people, let people know the possibilities and ideas as you make plans for Advent and the new Church year.

### 9. Last chance to mow lawns and trim hedges in mild areas

Make final checklist of all that needs to be done and the areas that need to be cut back.

### 10. Renovate old lawns or create new grass areas by laying turf

Create new structures and foundations for next year's initiatives

Poem		Ode To Autumn (John Keats) Season of mists and mellow fruitfulness, Close bosom-friend of the maturing sun; Conspiring with him how to load and bless With fruit the vines that round the thatch-eves run; To bend with apples the moss'd cottage-trees, And fill all fruit with ripeness to the core; To swell the gourd, and plump the hazel shells With a sweet kernel; to set budding more And still more, later flowers for the bees, Until they think warm days will never cease, For summer has o'er-brimm'd their clammy cells

## **Renewing Faith**

Song	Spirit Of The Living God (Daniel Iverson)
All sing:	Spirit of the living God fall afresh on me (2)
	Melt me, mould me, fill me, use me
	Spirit of the living God fall afresh on me.
Reading	Luke 17:11-19
	On the way to Jerusalem Jesus travelled along the border between
	Samaria and Galilee. As he entered one of the villages, ten lepers
	came to meet him. They stood some way off and called to him, 'Jesus!
	Master! Take pity on us.' When he saw them he said 'Go and show
	yourselves to the priests.' Now as they were going away they were
	cleansed. Finding himself cured, one of them turned back praising God
	at the top of his voice and threw himself at the feet of Jesus and
	thanked him. The man was a Samaritan. This made Jesus say, 'Were
	there not all ten made clean? The other nine, where are they? It
	seems that no one has come back to give praise to God, except this
	foreigner.' And he said to the man, 'Stand up and go on your way.
	Your faith has saved you.'
	Tour faith has saved you.
All sing:	Spirit of the living God fall afresh on us (2)
-	Melt me, mould me, fill me, use us
	Spirit of the living God fall afresh on us.

### Procession

A procession of slips and cuttings to be transplanted are brought forward for blessing

### Presentation

A representative of the Parish Pastoral Council will briefly suggest areas for renewal in the life of the community and look at successful initiatives in neighbouring parishes that could be 'transplanted'. Someone from another parish might also share on what has worked for them.

### Reflection

### Faith is ... (Joan Chittester OSB)

- Faith is belief that God is leading us to become in tune with the universe, however different we see ourselves to be.
- Faith is trust in the unknown goodness of life without demand for certainty in the science of it.
- Faith is belief that the God we call "our God" is either the God of all or cannot possibly be God at all.
- Faith is confidence in darkness, for the willingness to trust in the deep-down humanity of others as well as in our own may be the deepest act of faith we can possibly devise.
- Faith is the willingness to see God at work in others in their needs and ideas, their hopes and plans as well as in ourselves
  - All sing:Spirit of the living God fall afresh on all (2)Melt me, mould me, fill me, use allSpirit of the living God fall afresh on all.

## **Spreading Faith**

Song All sing:	<b>Come With Me Into The Fields (Dan Schutte)</b> The harvest is plenty, labourers are few, Come with me into the fields You arms may grow weary, your shoes will wear thin Come with me into the fields.
Reading	Luke 18: 1-8 Jesus told his disciples a parable about the need to pray continually and never lose heart. 'There was a judge in a certain town' he said 'who had neither fear of God nor respect for man. In the same town there was a widow who kept on coming to him and saying, "I want justice from you against my enemy!" For a long time he refused, but at last he said to himself, "Maybe I have neither fear of God nor respect for man, but since she keeps pestering me I must give this widow her just rights, or she will persist in coming and worrying me to death."' And the Lord said, 'You notice what the unjust judge has to say? Now will not God see justice done to his chosen who cry to him day and night even when he delays to help them? I promise you, he will see justice done to them, and done speedily. But when the Son of Man comes, will he find any faith on earth?'

All sing: The harvest is plenty, labourers are few...

### Presentation

Someone who has worked in traditional mission countries will offer a reflection on the state of Christian faith in Ireland at this time and make some proposals for evangelisation. Young people involved in ministry such as Elation Ministries or World Youth Day might share their experiences. Video footage of World Youth Day in Rio could also be shown.

All sing:	The harvest is plenty	y, labourers are few

Reflect	tion	Seed of Wholeness (Mary Ferring) Inside the core of each seed, no matter How large or how tiny, a potential waits For the life within to lift its face to the sun And gift the world with a burst of freshness. Such is your life within me, the potential For wholeness, a seed of grace so vast That each kernel of my latent goodness, Whether it is unknown or undeveloped, Can manifest its inherent greenness And grow into a harvest of love.
Song	All sing:	Go Out and Tell (Bobby Fisher) Go out and tell make disciples of nations,
	0	Go out and tell the Good News. Sing from your heart, sing to all of creation Go out and tell the Good News.

I have fought the good fight to the end; I have run the race to the finish; I have kept the faith; all there is to come now is the crown of righteousness reserved for me, which the Lord, the righteous judge, will give to me on the Day; and not only to me but to all those who have longed for his Appearing.

Reflec	tion	Autumn Ebbing All that grows and lives must give up life, Yet it does not really die. And yellow leaves of trees Float to my lawn like parachute troops They do so in a sea of serenity. I am surrounded by a peaceful ebbing As creation bows to the mystery of life All that grows and lives must give up life Yet it does not really die. I hear no fearful cries from creation No screams of terror As death daily devours Once green and growing life. Peaceful and calm is autumn's swan-song For she understands That hidden in winter's death grip Is spring's open-handed Full brimmed breath of life. It is not a death rattle that sounds Over fields and backyard fences; Rather I hear a lullaby Softly swaying on the autumn wind Sleep in peace all that lives Slumber secure all that is dying
		Slumber secure all that is dying For in every fall there is the rise Whose sister's name is spring.
Song	All sing:	<b>The Peace Of The Earth (Guatamalan - Arr. John Bell/Marty Haugen)</b> The peace of the earth be with you, the peace of the heavens, too. The peace of the rivers be with you, the peace of the oceans too. Deep peace flowing over you, God's peace growing in you.
