Such Patience

Such Trust

Such Respect

The Grace of Patience

Patience is an important survival tool when trying to be safe and to protect others in our family and community in these Covid times.

Patience has sustained us when all we want to do as cantors is to sing our hearts out as a community in praise of God.

Happy are those who have placed their trust in the Lord (Jeremiah 17:7)

“But blessed is the man
who trusts, GOD,
the woman who sticks
with GOD.

They’re like trees
replanted in Eden,
putting down roots
near the waters—

Christ In Me Arise (Trevor Thomson)

Christ in me arise and dispel all the darkness.
Christ in me arise with your power and your strength.
Christ in me pour out your blessing and healing.
Christ in me arise and I shall rise with you.
 Be now my vision, open these eyes,
 Showing me all that I must see.
 Onward to the kingdom,
 You are the way.
 Arise in me, and I shall rise with you.
