What's Happening - The Year of Prayer 2024

Pope Francis called for a dedicated Year of Prayer in preparation for the 2025 Jubilee Year. Some Parish Partnerships have taken the opportunity to work together in this prayerful way. These events encourage models of prayer other than the Eucharist and are often led by lay people.

The LitMus Office is committed to offering prayer resources during this year. The material can be adapted to suit the needs and resources of any prayer setting. Full texts available at www.litmus.dublindiocese.ie
